As a corporate officer, I am writing this letter to confirm that Nomaco HBR® Backer Rod, SOF-ROD®, and Open-Cell Backer Rod do not contain any substances regulated under California Proposition 65 as represented at <https://oehha.ca.gov/proposition-65/proposition-65-list> .

We have provided an ingredient list for 100% of the total of the product. We request from our suppliers the regulatory status of the materials they supply to us, and we have from them either a certification or a safety data sheet indicating compliance. Therefore, we hereby affirm that none of the undisclosed or proprietary ingredients contains any substances regulated under California Proposition 65.

If you have any further questions or concerns, please feel free to contact us.

Sincerely,

Christophe Theunissen
Vice President, Sales
